b. Referred to Gen. Trudeau's letter respecting smuggling of industrial diamonds into the Iron Curtain countries and Mr. Helms noted that we are looking into this. Mr. Amory pointed out that it would be a very easy matter to smuggle diamonds since diplomatic pouches could be used for this purpose.

c. Stated he had read Gen. Trudeau's report on his recent trip to South America and noted his comment on CIA's jurisdiction [redacted]. The Director said Trudeau should be "straightened out" on this and asked Mr. Helms to do so.
